Honorable Stansfield Turner
Director Central Intelligence
Washington, D. C. 20505

Dear Admiral Turner:

On behalf of the House Permanent Select Committee on Intelligence, I would like to invite you to participate in hearings chaired by the Subcommittee on Program and Budget Authorization. As you know, House Resolution 658 charged this Committee to submit for early action this year the authorizing legislation for intelligence and intelligence-related activities as required under the Budget Act.

Accordingly, I am inviting you to send such representatives as you deem appropriate to present the "intelligence" programs described in the enclosed hearing schedule. Prior to each hearing, specific issues on areas of special Subcommittee interest will be provided to assist the program managers. A separate, but similar, letter has been forwarded to the Honorable Harold Brown regarding the "intelligence-related" programs.

The Subcommittee on Program and Budget Authorization will hold its hearings beginning at 1330 on February 3, 1978 in H-405 of the Capitol. The Subcommittee will begin its proceedings by considering a motion to hear the testimony in executive session. I should add that the Rules of the Committee, which apply equally to each Subcommittee, require that all prepared or written statements submitted by witnesses before the Committee will be submitted at least 72 hours in advance of the appearance of those witnesses. Occasionally, time constraints may require witnesses to present their prepared statements in a summarized form. All testimony of witnesses is given under oath.

If you have any questions concerning this request, please have your action office contact Mr. James O. Bush of my staff at 225-7690.

With every good wish, I am

Sincerely yours,

Edward P. Boland
